## INSTRUCTIONS - BEER MANUFACTURER TAX RETURN

### GENERAL

The California State Board of Equalization administers the California Alcoholic Beverage Tax Law, which includes the state excise tax on beer. The tax rate on beer is shown on this return.

### FILING REQUIREMENTS

Report all beer in gallons. To convert barrels to gallons, multiply the number of barrels by 31. Round the resulting figure to the nearest gallon. A return must be filed by every beer manufacturer each month regardless of whether any tax is due. A duplicate of the return and copies of supporting federal forms must be retained on the licensed premises for verification by Board auditors. The return must be completed in every detail as called for on the return. A remittance for the amount due as shown on line 20 must accompany the return.

### PENALTY FOR LATE FILING

The state law imposes a penalty for the late filing of this return regardless of whether any tax is due. The penalty for the late filing of this return is \$50.00 or 10% (.10) of the amount of tax due, whichever is greater. The penalty for late payment of tax is 10% (.10) of the amount of tax due. The Board is authorized by law, for good cause, to extend the time for the filing of this return for not to exceed one month. Any request for an extension should be made in writing addressed to the Board in Sacramento.
